Calvary Leadership College

For over 40 years, Calvary Christian Church has been committed to developing people for leadership in local church and community contexts.

In the last decade Calvary Leadership College has continued this passion to train everyday people for incredible purpose.

Everyone has the opportunity to demonstrate leadership. Whether you are a teacher, business manager, store supervisor, youth leader or parent, we all have the opportunity to lead. The question is, how well will you lead?

It is our passion as a college to effectively equip and empower you, whatever your situation – to make you ready to influence your world for Jesus.

Former U.S. President Abraham Lincoln famously quipped, 'Give me six hours to chop down a tree and I will spend the first four sharpening the axe.' I'm convinced that one of the most profitable investments we can make is the investment into our own personal, spiritual and leadership development.

Time spent in preparation is always time well spent.

Calvary Leadership College exists to train everyday people for effective Christian living and leadership, preparing you for significance in your chosen sphere of influence. Whether you see your future in full-time vocational ministry, in business, education, the arts or medicine - regardless of your future calling - I want to encourage you to make the quality decision to enrol at Calvary Leadership College in 2021.

Through the classroom environment, internship opportunities and exposure to world-class ministry, Calvary Leadership College will sharpen your mind, enlarge your heart and equip your hands, so you can be used by God in a greater way in our generation.

Who knows how God will use your life in the future if you take the time to prepare yourself today! We look forward to you joining us at Calvary Leadership College in 2021.
