

WHAT IS THE 'JESUS' STEP?

At this age, your child will be reaching a stage whereby they start making decisions for themselves. Therefore, this year the sole focus is all about Jesus. This is your opportunity as a parent to teach your child about Who Jesus is, how He lived and who He is to us.

RESOURCES

- *How to introduce Your Child to Jesus*
by Jessica Smartt
- *The Gospel Story Bible: Discovering Jesus in the Old and New Testaments*
by Marty Machowski
- *The Jesus Story Book Bible*
by Sally Lloyd-Jones

THE COMMITMENT OF THE PARENT

This year the commitment from the parent is to have a deeper look at who Jesus is. Reading the recommended resources with your child will develop deeper understanding and generate good discussion.

Another way is to focus on reading the Gospels and asking questions like:

- Why do you think Jesus did that?
- How would that person have felt when they encountered Jesus?
- How can we show the same character as Jesus did?

THE COMMITMENT OF THE CHURCH

Teaching about Jesus and His life is an integral part of Calvary Kids throughout all age groups. This year however, we put more focus on Jesus so that your child can have a deeper understanding of who He is, and what that means for them!
